## **SAC builds up troops, shells indiscriminately to protect supply routes into Karenni State**

About 500 SAC troop reinforcements have arrived from Hsihseng in southern Shan State during May 2024. It appears that their main purpose is to secure supply routes into Karenni State, and to strengthen defences around Loikaw town.

On May 30, in the morning, some of the SAC troops deployed from Hsihseng, who had set up a temporary outpost at the tri-junction of the roads between Loikaw, Moebye and Hsihseng, were attacked by Karenni combined forces.

On May 31, SAC LIB 530 troops based in Loi Le Lay, Loikaw township, fired artillery shells into Loipaw village, Pekhoh township, injuring 3 civilians and damaging some houses.

On June 2, the SAC indiscriminately fired four artillery shells into western Demawso township, damaging several corn farms, but fortunately causing no injuries.
